Vibe Zone

RAB NE BANA DI JODI

A paper dance competition filled with lots of fun, love and sensation. We Call all the couples on the dance floor. Spread few sheets of paper on the floor at some distance. This game is going to be a real fun as the size of the paper becomes small. The one partner can lift the other to accommodate only two feet. And the rest is your imagination!

BAND BAJA BARAAT

We bring you an opportunity to showcase your talent that has not seen the world yet. Let your talent come across the world, and be appreciated.

Not everything gets viral, neither everyone enjoys nepotism. So stop waiting for miracle, come, perform and create miracles.

Stage will be yours
and the audience will be too,
